Culture and Economic Growth - e-elgar.com

This book provides a useful collection of 42 papers, mostly empirical, that highlight different channels through which culture affects economic growth. This collection, which includes studies from the disciplines of sociology and economics, focuses on re

The Influence of Culture on (Economic) Policy - United Nations

Underestimating the significance of culture and its consequences for policy can lead to some unusual conclusions. Take the report Institutions, values, standards and growth by Nyfer of the Economics department of Nijenrode University in the Netherlands. With the whole world writing admiringly about the Dutch economic miracle, Nyfer warns, of the six original EU states, the **Culture, growth and economic policy (Book, 2014)** [WorldCat ...

This book examines how culture shapes the economy. It presents an analysis of the mutual interdependency between culture and economic development as well as describes the development of cultural Read more
