United ...**

In American schools, the Genesis creation narrative was  
generally taught as the origin of the universe and of life  
until Darwin's scientific theories became widely accepted  
in the late 1800s.

**5 facts about evolution and religion | Pew Research  
Center**

Although most U.S. Catholics accept the idea of evolution  
in some form, a substantial percentage of American adults  
reject the scientific explanation for the origins of human  
life, and a number of religious groups in the U.S. maintain  
that Charles Darwin's theory of evolution through natural  
selection is not correct because it conflicts with their views  
of creation.
