The basic difference between knowledge and wisdom is that Knowledge is nothing but organized information, it is not about the plethora of information but that should be relevant. On the contrary, wisdom is the quality to implement knowledge into practical life.

[Teaching Wisdom: Proverbs and the Classroom](#)

Teaching Wisdom: Proverbs and the Classroom By Anne Stewart The book of Proverbs is concerned with teaching wisdom, not just recording or cataloging it. The opening

lines of the book explain that its purpose is to learn wisdom and discipline, to discern words of insight to give savvy to the naive, knowledge and astuteness to the young (Proverbs 1:2, 4). Unlike other books in the **You Don't Know What You Don't Know: Knowledge ...** The fear of the Lord is the beginning of knowledge; fools despise wisdom and instruction. -Proverbs 1:7. In our first post on thinking biblically about faith, work, and economics, we suggested five tools, or mental models, that should shape and support our thinking and decision-making, as well as help us build a holistic biblical worldview.
