### **What is marketing? definition and meaning ...**

Marketing is based on thinking about the business in terms of customer needs and their satisfaction. Marketing differs from selling because (in the words of Harvard Business School's retired professor of marketing Theodore C. Levitt) "Selling concerns itself with the tricks and techniques of getting people to exchange their cash for your product."

### **Google**

Search the world's information, including webpages, images, videos and more. Google has many special features to help you find exactly what you're looking for.

### **Marketing mix - Wikipedia**

The marketing mix (also known as the 4 Ps) is a foundation model. The marketing mix has been defined as the "set of marketing tools that the firm uses to pursue its marketing objectives in the target". Thus the marketing mix refers to four broad levels of marketing decision, namely: product, price, promotion, and place. Marketing practice has
